### Minimum Qualifications

Graduation with a Master's Degree or higher advanced degree in Nursing, with a clinical specialty in the appropriate area of practice.  
Must have successfully completed a Nurse Practitioner program recognized and approved by the Alabama Board of Nursing.

### Key Responsibilities

- Obtains psychiatric assessment upon admission.
- Develops individualized treatment plans.
- Selects appropriate medication based on diagnosis, monitors for side effects and makes adjustments.
- Documents completely with clarity and accurately recording patient presentations/diagnoses/treatment plans/progress notes.
- Monitors lab information, including therapeutic drug monitoring (TDM), metabolic side effects, and neuroleptic malignant syndrome (NMS).
- Obtains consent on all patients for medications/procedures/capacity to handle daily affairs, including finances.
- Communicates clearly and concisely with patients, families and other healthcare providers and provides timely and accurate information.
- Performs other related duties necessary to the effective operations of the facility

### Required Knowledge, Skills, and Abilities (KSAs)

- Knowledge of general and specific psychiatric diagnoses and treatment specific to the population served.
- Knowledge of principles and practices of clinical assessment, common health problems, mental health issues, clinical consultation and continuity of patient care.
- Knowledge of common medications/pharmaceutical treatments and their interactions.
- Knowledge of basic laboratory work.
- Ability to work effectively with the population served.
- Ability to respond well to emergencies in a stressful environment and handle potentially volatile situations in a calm, decisive manner.
- Ability to develop and interpret medical and psychiatric histories, conduct psychiatric assessments and evaluate client behavior.

- Ability to communicate with/educate/inform clients, their families, and staff.
- Ability to develop accurate/concise reports, and document and manage client file information.

### Necessary Special Requirements

- Possession of a current advanced practice nursing certification as a Certified Registered Nurse Practitioner (CRNP) granted by the Alabama Board of Nursing in the clinical specialty appropriate with the area of practice.

### Employee Benefits

- 13 paid holidays.
- 1 personal leave day accrued each January.
- 13 sick leave days.
- 13 annual leave days accrued in the first year of employment.
- Paid parental leave.
- Longevity bonus annually after 5 years of state service.
- Continuous opportunities for acquiring CEU's needed for maintaining professional license.
- Very low-cost health and dental insurance through the [Alabama State Employee Insurance Board](#).
- Defined retirement benefit (not impacted by economic downturns) and a pre-retirement death benefit through the [Retirement Systems of Alabama](#).

### Method of Selection

- Applicants will be rated based on an evaluation of their job-related training, abilities, experience, and education, and should provide adequate work history identifying experiences related to the duties and minimum qualifications as mentioned above.
- All relevant information is subject to verification.
- **Drug screening and security clearances will be conducted on prospective applicants being given serious consideration for employment whose job requires direct contact with patients.**

### Only work experience detailed on the application will be considered.

Applications should be submitted by the deadline to be considered. Announcements open until filled will remain open until a sufficient applicant pool is obtained. Applications should be submitted as soon as possible to ensure the application will be considered for the position. Copies of License/Certifications should be uploaded with your application. A copy of the academic transcript is required. Appointment of successful candidate will be conditional based on receipt of the official transcript provided by the school, college, or university.
